

**HARD HAT SERVICES™**  
Engineering, Construction and Management Solutions

## Hard Hat Services Expands to South Central U.S.

We are pleased to announce that Charles H. White, PMP, has joined Hard Hat Services as our Regional Manager for the South Central United States. Based in Houston, Texas, Mr. White will focus on serving our clients in Texas, Louisiana, Mississippi, Arkansas, and Oklahoma.

Chuck is a Certified PMP (Project Management Professional), holds a Bachelor's in Business Administration from the University of Houston, and a Master's in Project Management from Villanova University. Chuck has spent his 30-year career working with major industrial clients on capital, environmental, and infrastructure projects. Combined with Hard Hat Services' sound existing client relationships, we will hit the ground running in the South Central U.S.

Founded in 2000, Hard Hat Services is a full-service design/build firm, offering a wide range of project management, construction, and engineering solutions for industrial infrastructure and environmental clients. Our growth has been fueled by extensive experience in the Steel, Food and Beverage, Utilities, Solid Waste, Power, and Petroleum industries.

Our extensive environmental experience, as well as our common sense approach to implementing cost-effective, reliable solutions provides the perfect blend for your environmental and civil projects. We will continue to ensure your projects run smoothly from beginning to end. Whether it's initial planning, system and site design, or installation and construction, your projects are completed on time and within budget. For more information, please contact Charles H. White at [chuck.white@hardhatinc.com](mailto:chuck.white@hardhatinc.com) or 713-819-0890.
